USED EQUIPMENT MARKETPLACE RELEASE OF INFORMATION FORM

What is the Used Equipment Marketplace? The UEM is a clearinghouse for individuals or agencies who wish to buy, sell, donate, loan or rent Assistive technology for individuals with disabilities. The listing is in the “*Monitor*” newsletter and is on the WATI website. This service is similar to the classified ads in the newspaper. You may receive an email notifying you when the “*Monitor*” is updated on the web by contacting our office and providing your name and email address.

What types of equipment are available from UEM? Any equipment valued at more than \$25 will be accepted, i.e., wheelchairs, van or bus lifts, adaptive computer equipment, automobiles with adapted controls, bathroom equipment, hospital beds, augmentative communication devices, etc. No equipment will be housed at the UEM office.

How do I use this service? To sell, locate, rent, donate, buy or loan equipment, please complete this form and return it to: WATI, Polk Library, 800 Algoma Blvd, Oshkosh, WI 54901. (FAX: 920-424-1396) For additional information or a current UEM listing, please visit the WATI web site at www.wati.org or call 800-991-5576 or 920-424-2247.

Name: _____ Phone: _____

Organization: _____ Position: _____

Address: _____

City: _____ State: _____ Zip: _____

To help our project serve your needs, please complete the following information regarding the “user” of the equipment you are listing: Age: _____ Disability: _____

I hereby give Wisconsin Assistive Technology Initiative permission to provide my name and telephone number to those individuals interested in acquiring or providing the equipment I have listed. I also understand the Release of Information form applies only to those who inquire about the said equipment. In order for UEM to offer the most current information, we will update the equipment list every 6 months. Please contact us at 800-991-5576 or 920-424-2247 to update you current listing after 6 months or it will be removed at that time.
