This workshop will address Teacher Standards 3 and 8.

This beginning level workshop is designed to lead teams of school district or Birth to 3 providers, through the Wisconsin Assistive Technology Initiatives assessment process for determining if a child needs assistive technology. Participants will receive an ASNAT manual and learn how to complete an assistive technology assessment. Participants will have hands-on experience completing the Student Information Guide, Environmental Observation Guide, Decision Making Guide, and Trial Use Guide. Samples of assistive technology will be demonstrated. **Interested participants are encouraged to register as teams.**

**TARGET AUDIENCE:** Teachers and assistants of the visually impaired, deaf/hard of hearing, CD, LD, EBD, S/L pathologists, occupational and physical therapists.
