

Learning about
assistive technology is not
child's play but it can be fun.
We will have a game show theme
to look at: *Computer Access*,
(Don't put your students computer
access at "Jeopardy"), *E-Text/
NIMAS* (Who do you know who
wants to be an E-TEXTonaire?),
and *Positioning* (with the "Position
is Right")

Join us for all three or this year
you can pick just one.

Everyone goes home a winner!!

12:30—3:30 pm
Snacks will be provided
(No lunch)

FEE: \$50.00 per person for all
three sessions or
\$20.00 per session

****IMPORTANT**** Please park in spaces
designated for CESA #1 (back or west side
of parking lot)

Please call Barbara Andrychowicz if you have
any questions at (262) 787-9555

Networking At Noon-ish

Tune in for
Networking with your
AT Colleagues

November 15, 2006
Computer Access

January 11, 2007
E-Text/ NIMAS

March 5, 2007
Positioning

Sponsored By:
CESA #1 / WATI

**Tune in for three afternoons of
Networking with fellow
colleagues
interested in Assistive
Technology.**

November 15, 2006

**Don't put Accessing the Computer in
"Jeopardy"
(Hands on access lab with software and
hardware)**

This session will be hands on at MPS's assistive technology lab, with Mary Beth Werner, OTR from MPS's assistive technology team. Participants will be able to try several different input devices, software, watch demonstrations and gather good resources for better access modes. Don't put accessing the curriculum at "Jeopardy"

**Location: MPS Tech Lab
6220 W. Capitol Dr., Milwaukee**

**January 11, 2007
Who Wants To Be An
"E-Textonainre"?**

(a person who possess great E-text)

In this session, we will have a combination of demonstration and hands on to guide people in finding e-text resources. Come explore ways to become an "E-Textonainre"

**Location: CESA #1
19601 W. Bluemound Rd., Suite
200, Brookfield, WI**

March 5, 2007

"The Position is Right"

Here in Wisconsin we may not have Bob Barker but we do have Ted Mailkowski from Westhill Medical in Appleton. He will have demos of powered mobility, positioning, devices and electronic switches Ted works with school districts across the state.

**Location: Concordia University,
12800 N. Lakeshore Dr., Mequon**

12:30-3:30 snacks will be provided

**FEE: \$50.00 per person for
all three days or
\$20.00 per session**

**Wisconsin Teacher Standards:
#3 & 10**
